10. ארבעה ימים

3. The first part of the book is devoted to a study of the history of the English language from its earliest beginnings to the present day.

4. The second part of the book is devoted to a study of the structure of the English language, including a discussion of the parts of speech and the sentence.

5. The third part of the book is devoted to a study of the English language in its various dialects and accents, and to a discussion of the influence of foreign languages on the English vocabulary.

6. The fourth part of the book is devoted to a study of the English language in its various uses, including a discussion of the English language in literature, science, and the arts.

7. The fifth part of the book is devoted to a study of the English language in its various stages of development, including a discussion of the English language in the Middle Ages, the Renaissance, and the modern period.
